

COUNTY OF YORK

MEMORANDUM

DATE: February 17, 2005 (BOS Mtg. 3/1/05)
TO: York County Board of Supervisors
FROM: James O. McReynolds, County Administrator
SUBJECT: Zoning Ordinance Text and Map Amendments

By memorandum dated February 7, 2005, I forwarded a package of proposed Zoning Ordinance text and map amendments for your preliminary review. I recommend that the Board approve proposed Resolution R05-36 to initiate a formal amendment application to be forwarded to the Planning Commission for review and recommendation. Once the Planning Commission conducts a public hearing and completes its review, the application would return to the Board for formal consideration, public hearing and final action.
